

FILE UPLOAD

INSTRUCTIONS

List of file types on Macintosh and PC that are compatible with our system.

This refers to file compression. STUFF and ZIP are ways to compress a file to a smaller file size.

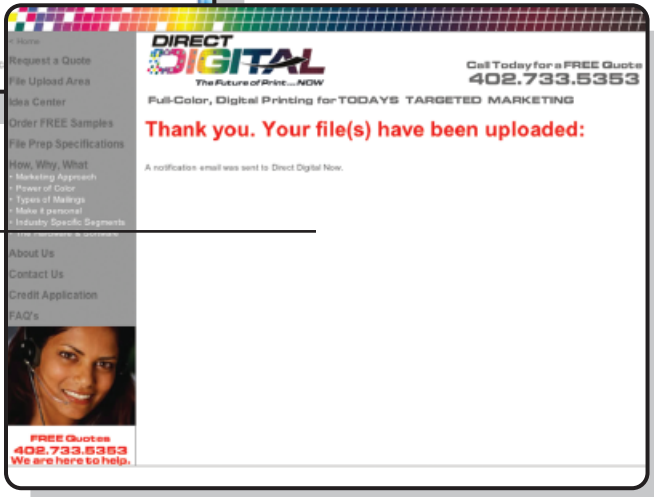

Select the sales representative that you have been working with.

Add your name and company info along with a brief description the file you are uploading.

Click "Choose File" to browse the files on your computer or network to locate the file to upload.

Click "Upload" to begin the file transfer.
